< Elections final > Officers in doubt

After months of members campaigning for their favorite candidate, and few surprises along the way, the results are in. The uncontested secretary, John Amdor III was seen with incumbent treasurer for 08, Rick Demon, and freshly elected Sergeant at Arms, Mark Steiner commenting to the newly elected Vice President, Dave Griger, about who should be buying the first round for our President, Greg Janisch. The Officers were unsure of protocol and decided to call a special meeting at 3's Lounge to discuss it.

Congratulations to all and welcome upfront, **Vice-President of RPMC, Dave Griger**. The elections went very smooth and orderly. The results confirmed the direction the membership wants to go in '08 by the votes that were cast.

Stepping down, VP Bones was upbeat and welcomed a break. From all of us;

THANKS BONES!

VP Bones "It'll be nice to relax for awhile... 'er, excuse me dude ...I see a place."

the President of RPMC... Greg Janisch

As we roll into the New Year, we should do so with a sense of club optimism and pride. Since 2003, I have seen many changes, I have seen members come and members go. From my perspective, we have lost some good members and some bad. By being re-elected as president I have confidence that you also are encouraged by the changes that have occurred.

In August of 2004 after Mick was impeached, I became president. In 2006 I was re-elected unopposed. This year I was happy to see so many qualified members stepping up to the plate to run for an Officers position. As I've said many times, this is not "my" Club, this is not "your" Club, this is "our" Club.

The best change we have seen as a membership is that we will never again allow "ONE" person to run RPM/C. If the person that started this Club can be removed from office, then anyone that abuses their position can be also. When I joined there were over 200 members in RPM/C Omaha, there were even contests to see who could bring in the most members. Con't...

Abandoning malicious speech, he abstains from malicious speech; he does not repeat elsewhere what he has heard here in order to divide (those people) from these, nor does he repeat to these people what he has heard elsewhere in order to divide (these people) from those; thus he is one who reunites those who are divided, a promoter of friendships, who enjoys concord, rejoices in concord, delights in concord, a speaker of words that promote concord.

Nobody knew even half of these members. So another important change has been quality verses quantity. I think everyone will agree that we would rather see X amount of members at meetings and functions, than hundreds of faceless names on a membership list.

We have seen several new members in the last year who are showing themselves to be quality members. And I am confident that we will see many more in the future.

To sum it up, I am proud to be a member of Rollin' Plains Motorcycle Club and extremely proud to serve as your president. I am looking forward to working with Dave and the other officers and committees to make this the best year RPM/C has ever had.
